

KONAVLE CLIMBING CRAG 42°33'56.9"N 18°20'14.5"E

This is a small climbing crag 35 minutes driving distance from Dubrovnik. It is mostly visited by local climbers and their friends.

Climbing here is possible all year around just have in mind that during the hot summer months the rock is in the sun from 11 am till about 4 pm.

Approach:

From Dubrovnik drive on D8 (Jadranska cesta) towards Dubrovnik airport. Turn left at Zvekovica village on to local road continue for some 10 kilometers to Mihanići village and then again turn left. Drive through Mihanići village and after you pass the last house continue driving up the small winding road. Soon you will get to a small widening where you can park your car if going to sector A.

For sector, A walk up the macadam road (some 100 meters) and at the top turn left. Continue walking and when you walked through a short tunnel named Vratnice you are there. About 7 min walk.

For other sectors continue driving to the end of the asphalt road (50m more). There is one more house here. People that live here are friendly and you can ask them for instructions if you feel like it. Carry on a bit further on macadam road and park at the widening at the end.

Continue walking and before the tunnel turns right and follow the trail that takes you down. After a 5 min walk, you will get to sector B and then following the path further to other sectors.
